### Professional Experience

#### Frontend Developer, Mangaseed

09.2020 – present | Tokyo, Japan

Remote internship with start up company creating an app for manga lovers to read manga in different languages, and for manga creators to upload their work for the world to see. Currently being mentored to learn React.

#### Assistant Language Teacher, Borderlink

04.2020 – present | Tokyo, Japan

Teaching English to children at public Japanese elementary schools from grades 1-6 including special needs students

#### IT Recruiter, ACS Japan

12.2019 – 04.2020 | Tokyo, Japan

Recruited bilingual talents for the company's 200+ clients with some being part of the Big 4 with the use of cold calling, emails and LinkedIn

#### Teacher Manager (Previously English Teacher), One Coin English

04.2018 – 11.2019 | Tokyo, Japan

Started off by teaching English to adult learners. Promoted to Teacher Manager. Managed a team of 7 teachers. Ensured the school hit monthly targets set by the company

#### Student Coordinator, Shibuya Gaigo Gakuin

10.2018 – 02.2019 | Tokyo, Japan

Responded to emails and in person inquiries at the front desk for current students and people interested in studying at the language school. Helped with student visa applications. Managed school's social media pages

#### Social Media Intern, Life Pepper

03.2018 – 06.2018 | Tokyo, Japan

A taste of start up culture in Japan. Managed social media accounts and answering followers' and customers' queries. Also conducted research for various projects for clients to penetrate into the western market

#### Assistant Language Teacher, Interac

03.2017 – 03.2018

Taught English to First Grade and Special Needs classes at an elementary school, tailoring lessons to each class' needs.

#### Administrator, Capita

08.2015 – 05.2016 | London, United Kingdom

Responsible for managing and distributing posts relating to Share Incentive Plans for a department of over 100 people. Trained temporary staff during busy periods.
